YU-GI-OH! LEGENDARY DUELISTS

SPANISH DISTRIBUTOR BOOSTER FACT SHEET

ITEM ORDER NUMBER: 83517

To reign victorious in the Duelist Kingdom tournament, Yugi had to face off against powerhouse Duelists like Mai Valentine, Mako Tsunami, and even his own friend and protégé, Joey Wheeler! Now they're all back with brand-new cards in *Legendary Duelists*, a booster set that powers up famous strategies from the classic series and beyond!

Joey Wheeler's Red-Eyes Armory!

Even the mighty **Red-Eyes B. Dragon** can use a boost sometimes! *Legendary Duelists'* new "Red-Eyes" monsters are all about teamwork – they can all Summon other "Red-Eyes" monsters, but some can also equip *themselves* to other monsters as Equip Spells, or equip *other monsters* to themselves as Equip Spells to power up!

Mai Valentine's Amazoness Warriors!

Mai's "Amazoness" monsters excel at all things combat! Brand new "Amazoness" cards in *Legendary Duelists* add sneak attacks to their extensive repertoire of combat tricks, allowing you to Summon more monsters from your hand or Deck during the Battle Phase to tilt the odds of victory in your favor.

Mako Tsunami's Ocean Mastery!

You've seen **The Legendary Fisherman** and **The Legendary Fisherman III**. Now, the missing generation in the family will be revealed! This valiant warrior spent his life in search of a great whale that can surface in the middle of any Duel, and you'll be able to find it in *Legendary Duelists*!

In addition, *Legendary Duelists* has brand-new cards to enhance the strategies of renowned Duelists from *Yu-Gi-Oh! GX*, like Zane Truesdale! Each pack contains 5 cards.

The complete set of *Legendary Duelists* is 51 cards: 27 Commons, 10 Rares, 7 Super Rares, and 7 Ultra Rares.
