

YU-GI-OH! FLAMES OF DESTRUCTION

LATIN AMERICAN DISTRIBUTION BOOSTER FACT SHEET

ITEM ORDER NUMBER: 83723

Flames of Destruction closes out the first Dueling season of the *Yu-Gi-Oh! VRAINS* era with a bang! This 100-card booster set will shake things up with new cards for established Deck themes, a brand-new Link Monster theme that can be played as its own Deck or spliced into existing strategies, the return of the Elemental Lords, and more!

Ib the World Chalice Priestess, known for her protective abilities, turns to the dark side and lays waste to her world with 6 incarnations of destruction! These new Link Monsters have flexible Link Materials that let you use them in any Deck, and each one has two abilities: one that you use when you Link Summon the monster and one that's always active. These powers range from retrieving any Spell or Trap Card from your Graveyard to changing the number of cards you get to draw each turn. With some strategic card placement, you could be drawing up to 6 cards at the start of your turn instead of just 1!

To make the most of these abilities, you'll want to keep your Link Monsters co-linked. If you do, you'll get a refund on the cost of the new monsters' one-shot abilities and their always-on powers will grow much stronger! Try combining these monsters with cards like **Tri-Gate Wizard** from *Structure Deck: Cyberse Link* or **Firewall Dragon** from *Code of the Duelist* to gain even more from co-linking your monsters.

For over 5 years, the four Elemental Lords have stood alone as keepers of some of the strongest effects allowed in Dueling. In *Flames of Destruction*, the fifth Elemental Lord finally arrives, along with the monsters tasked to guard their great powers from those who would misuse them! The newest Elemental Lord can only be Summoned while you have exactly 5 LIGHT monsters in your Graveyard and commands the power of **Raigeki** – the power to destroy all enemy monsters at once! This Elemental Lord is a great fit in Decks built using the LIGHT monsters from *Structure Deck: Wave of Light*.

On top of all that, *Flames of Destruction* is full of cards that are useful in any Deck and cards that elevate popular themes to new heights! You could find...

- Powerful Trap Cards you can activate from your hand.
- A new "Trap Hole" that banishes monsters face down.
- A Spell that revives one of your monsters in a Zone a Link Monster is pointing to.
- A new "Topologic" Link Monster that banishes all Spells and Traps on the field when a monster is Special Summoned to a Zone it points to.
- A Dragon that can erase all the cards in a single column and then render that column unusable.
- A "Trickstar" soloist that shrugs off activated card effects and inflicts big damage every turn.
- An "Altergeist" spin on **Tour Guide from the Underworld**...

... and more! This last 100-card booster set of the 2017-2018 Dueling season is poised to heat things up all summer long!

The *Flames of Destruction* booster set contains 100 cards: 48 Commons, 20 Rares, 14 Super Rares, 10 Ultra Rares, 8 Secret Rares.
